

If infants need a milk-free and lactose-free option, recommend Gerber® Good Start® Soy

A routine and nutritionally complete, soy-based protein formula:

- ✓ Easy to digest
- ✓ Milk-free and lactose-free to help avoid fussiness and gas due to milk and lactose intolerance
- ✓ Expert-recommended DHA to support brain and eye development
- ✓ Kosher and Halal
- ✓ Non-GMO (not made with genetically engineered ingredients)

DHA=Docosahexaenoic acid. GMO=Genetically modified organism.
